

## **Atlanta International School Parent/Student Information Privacy Policy**

By logging into AIS' Parent Portal, parents agree to be bound by the following policy:

Information contained in the Atlanta International School (AIS) printed and online directories and in the AIS Parent Portal is for the exclusive use of parents, students, and employees of Atlanta International School. This information may not be reproduced in whole or in part, or transmitted in any form or by any means--electronic, mechanical, photocopying, or otherwise--without written permission. The printed and electronic directories and Parent Portal are not to be used for any form of marketing or commercial purpose, including commercial solicitations and charitable appeals, and copies of the AIS directory pages may not be provided to individuals or organizations not associated with Atlanta International School. Any abuse of this policy, intentional or not, will result in full, immediate suspension of your Parent Portal account.
